Introducing the Foliot Collection

Custom Made Easy.

The reimagined Foliot Collection is built for the demands of modern hospitality, combining custom flexibility, long-term durability, and seamless support in one complete solution.

As a vertically integrated manufacturer with decades of experience, we offer a wide selection of materials, finishes, colors, and styles—all designed to help you create distinctive spaces that reflect your brand identity.

Whether you're outfitting a boutique hotel or scaling across multiple properties, Foliot is your single-source supplier for locally manufactured furniture that performs as beautifully as it looks.

Our products are engineered for durability, functionality, and visual appeal—backed by a 10-year warranty and a reputation you can trust.

We make it easy. From early design collaboration and free samples to 3D renderings and logistics support, our team walks with you through every phase. No overseas uncertainties. No hidden costs. Just reliable, made-here furniture that brings your vision to life—on time and on budget.

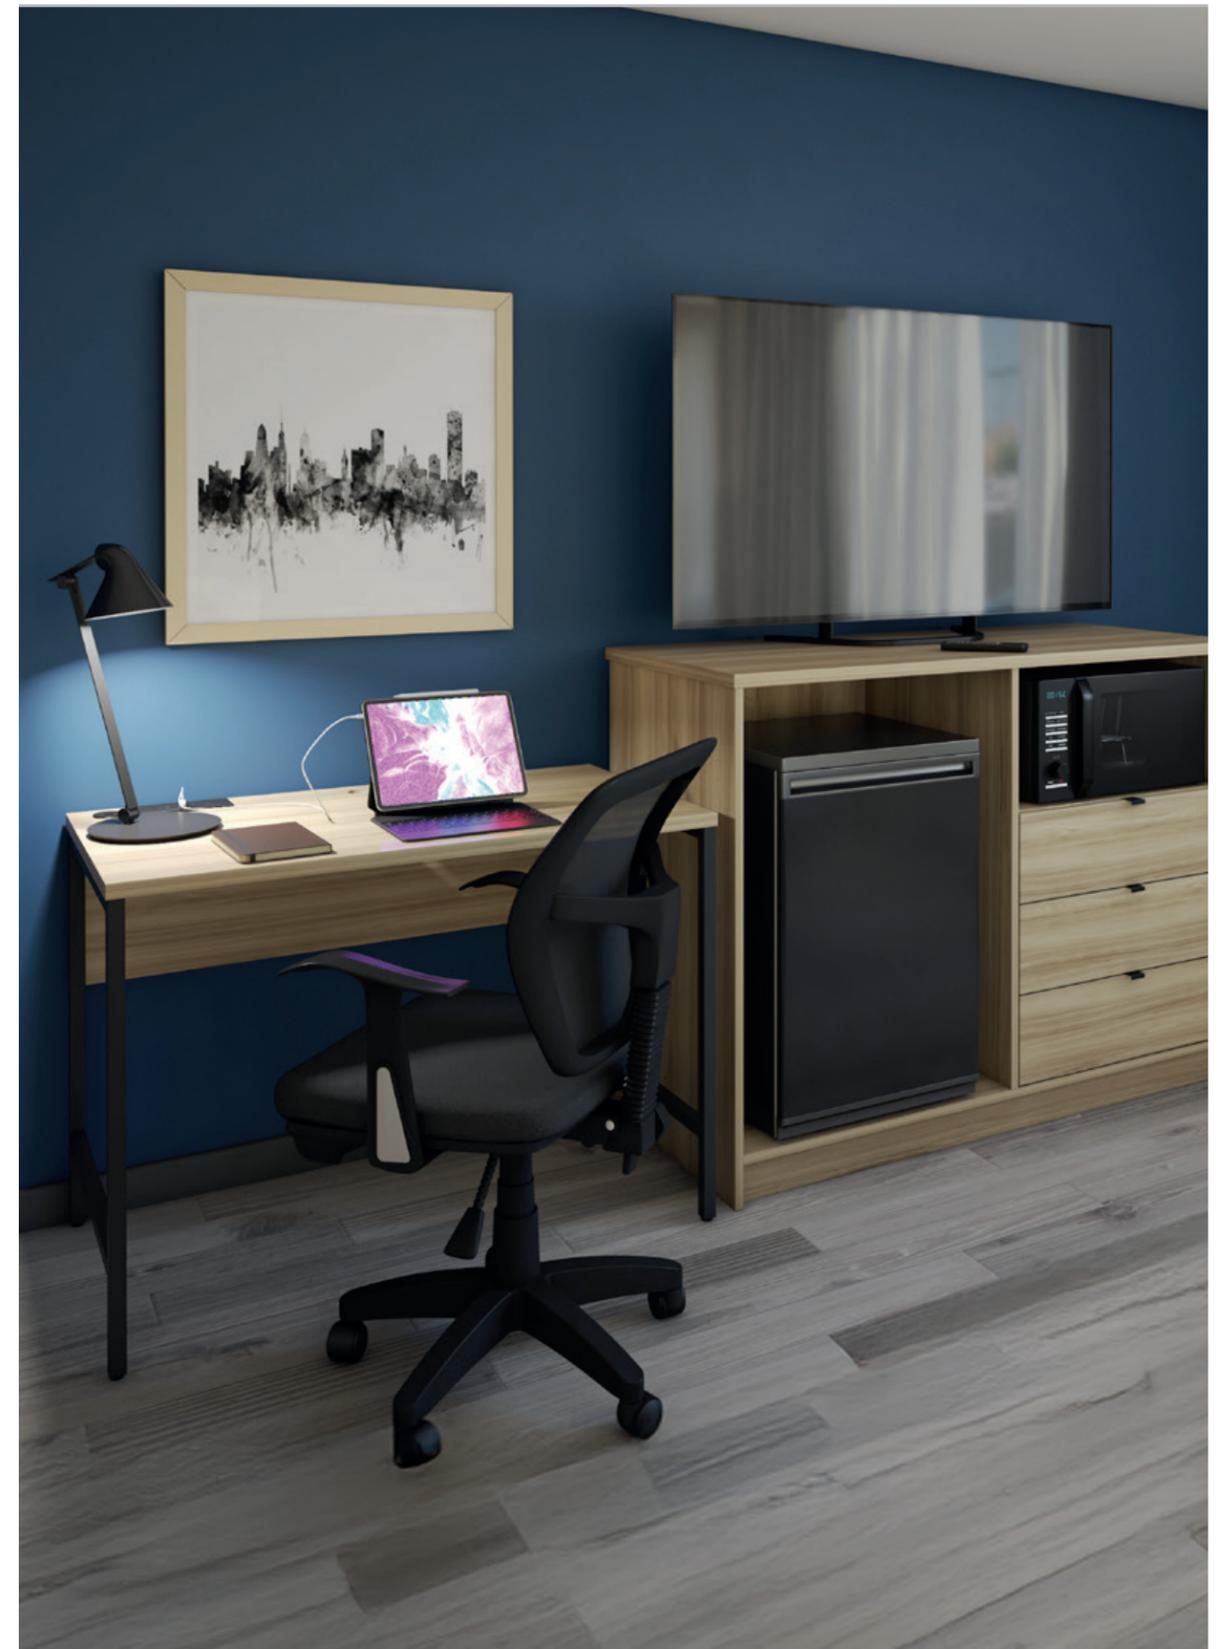

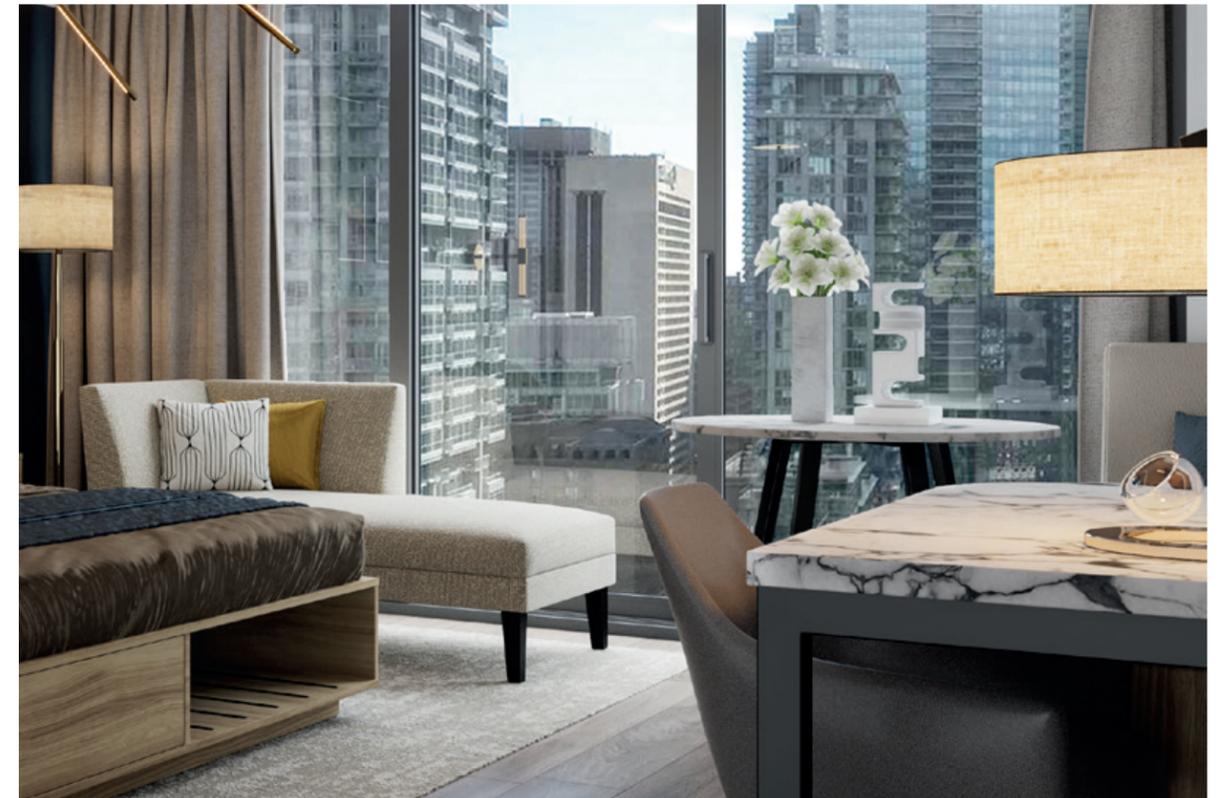

Made here. Made smart.

Foliot furniture is proudly manufactured in North America, with vertically integrated facilities in Montreal, QC, and Las Vegas, NV. Having domestic operations means shorter lead times, superior quality control, and reduced carbon impact.
